French teams coming to challenge local table tennis players

On Saturday 1 October twelve players and six supporters from St James in Brittany, France arrive in Jersey to play against local teams. Whilst the table tennis will be competitive, there will also be a focus on social activities. Around the same date last year Jersey players travelled to St James and enjoyed a feast of table tennis and social events.

The French teams arrive in Jersey on Saturday morning and after relaxing at the host venues they will travel to the Geoff Reed Table Tennis Centre for matches which will run from 2pm to 5pm. Spectators are very welcome. Following this there will be the presentations and a Vin D'Honneur.

There will then be a series of social events running from Saturday evening to Sunday lunch. The visit will finish with a fun table tennis event on Sunday at 4pm.

Jersey Teams are:

Craig Gascoyne	Scott Cassin	Paul Routier
Max Tupper	Kevin Allen	Euan Le Marquand
Eugene Ellis	Kay Lefebvre	Carol Milnes
Trevor Lefebvre	Martin Tupper	Steve Royal

Every player will play 4 singles and a doubles match.
