## Appleby Jersey Table Tennis Association School Open Day

In an effort to reach out to more children, the Appleby JTTA Schools Development Programme is offering a free taster session to Year 2, 3 and 4 school children at La Moye, Rouge Bouillon, St Luke's and St Lawrence, at the Geoff Reed Centre, on Saturday 24<sup>th</sup> July. These schools don't have their own facilities or staff to run table tennis taster sessions on school premises.

Craig Gascoyne - JTTA's Development Officer commented "By running open days at weekends we are able to introduce the sport to more children who may not usually have the opportunity to play. It is hoped that the children attending the taster session will take an interest in the sport, and may go on to join the Appleby Development Squad, and could eventually represent the club and the Island."

Simon Worsey – Head of Marketing at Appleby in Jersey added "The Appleby Schools Development Programme has been running for three years now. We are pleased to be able to support this initiative and are delighted that the JTTA have thought of new ways of making table tennis accessible to more children."

Further open days will be held later on in the year.
